### Introductory note

#### **This introductory note does not form a part of the notice.**

The following notice gives notice of the transfer of an environmental permit to a new operator (the transferee).

Gilder Environmental Limited has requested the transfer of Environmental Permit EPR/QP3933EM from William Gilder Limited. The permit transfer is a result of the William Gilder Group Limited being restructured around a new group format. This will see William Gilder Group Limited as the ultimate holding and parent company. The Old Saw Mill (TWTC) site sits within William Gilder Limited, but will operate under Gilder Environmental Ltd.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
